

Understanding ADHD

MCPS Special Education Department and Parent Resource Center
presents.....

A free workshop for parents, caregivers,
educators, service providers &
community members welcome

Presented by Dr. Susan Semanic, School Psychologist

Monday, September 10,
2018

6 pm – 7:30 pm

Food will be provided

This workshop provides a general overview of ADHD – describing what ADHD is, the common myths associated with the diagnosis, an overview of the criteria for diagnosing ADHD. Attendees will learn what the different terms mean and what it can look like living with a child who has ADHD. Participants will also learn what type of behaviors may be seen at home and at school and some strategies for supporting parents and children. This workshop will accommodate all grade levels (2-18).

Location: MCPS School Board Office,
Special Education
750 Imperial Street
Christiansburg, Va. 24073
